Takami Sedan in Soul Red Crystal Metallic

EXPERIENCE SOME QUALITY TIME

Both inside and out, Mazda6 elevates quality and sophistication to an even higher level. Command the road with a Skyactiv-G 2.5T turbocharged petrol engine and 19-inch alloy wheels, both available on the Takami grade. Inside, you'll enjoy nappa leather[#] seats, genuine Japanese 'Sen' wood and Ultrasuede[®] trim on the Takami grade and the latest safety and connectivity across the range. It all comes together to create a car you'll want to spend some quality time in.

[#] Leather interior includes some Maztex material on selected high-impact surfaces.

'Mature Elegance' was the theme our designers explored when developing Mazda6. Drawing on Mazda's signature Kodo 'Soul of Motion' design philosophy, key exterior elements of the vehicle have been reworked and reimagined to deliver dynamic, dignified beauty. From the sleek side profile to the LED headlamps, everything is designed to work in harmony, creating a sense of powerful motion that flows from the front to the rear.

STRIKING FROM ANY ANGLE

Takami Sedan in Soul Red Crystal Metallic

Takami with Walnut Brown Nappa Leather trim[#]

SUPERIOR QUALITY

Once you're immersed in the cabin, you'll quickly notice the elegant atmosphere created by quality finishes. On the Takami grade, the ventilated front seats, covered in beautiful nappa leather,[#] deliver a new level of luxury. While the sense of a truly connected drive is further enhanced by the stylish dash that envelops the driver. Through smart technology like MZD Connect, granting access to your device's functionality via a full-colour screen, you'll feel even further connected to the drive and the world around you.

[#] Leather interior includes some Maztex material on selected high-impact surfaces.

A STIRRING PERFORMANCE

Agile handling is delivered through an advanced suspension system that elevates the quality of the ride.

Mazda6 also features i-ELOOP, which harvests braking energy to a capacitor, then reuses it to power on-board electrical systems and reduce fuel consumption. i-ELOOP is available on models with the Skyactiv-G 2.5L non-turbo engine.

Takami with Pure White Nappa Leather trim[#]

STAY CONNECTED TO YOUR JOURNEY

Mazda6 not only enhances your driving world, but your world beyond it. MZD Connect brings you access to online content including social media, music, podcasts and more, simply by linking your compatible smartphone.[§] It can even read texts and emails aloud. Everything is centralised on a touch screen positioned so your attention remains on the road[†]. The rotary multi-function commander puts all function control right at hand. Menu choice, audio and navigation can even be driven by voice command, so even when the drive takes you away, you're never out of touch.

[§] Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit mazdahandsfree.co.nz or consult your Mazda Dealer for further information.

[†] Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

TECHNOLOGY THAT INSPIRES

Mazda6's latest technology is not only designed to keep you safe, it's designed to inspire. The Active Driving Display allows to you focus on the road ahead,[†] by projecting important data like current speed, navigation cues and traffic signage directly onto the windshield. In the Takami model, a seven-inch TFT LCD display sits within the centre meter, making access to driving information effortless. All models also give you the convenience of hands-free phone operation, music streaming via Bluetooth® and handy USB ports.

[†] Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

Takami with Walnut Brown Nappa Leather trim[#]

LOSE YOURSELF IN LUXURY

The spacious Mazda6 accommodates five people in a cabin that embodies quality. Thick padding and wide seat cushions create a comfortable and inviting look that extends throughout the vehicle. An impressive variety of interior colours, wood trim and leathers,[#] plus details such as a storage compartment in the rear centre armrest, further continue this theme. Cargo is carefully considered too. Both sedan and wagon feature 60/40 split-folding rear seats, extending the generous luggage area to accommodate unusually shaped items. The wagon's clever seats unlatch and fold in a fluid move, creating a virtually flat floor.

[#] Leather interior includes some Maztex material on selected high-impact surfaces.

Takami Wagon in Machine Grey Metallic

SAFETY COMES FIRST

Mazda6 has a number of advanced safety tools at its disposal to help you combat the unexpected.† Starting with world-class collision protection, provided by an extremely rigid body and SRS airbags as standard, along with disc brakes boasting ABS and Electronic Brake-force Distribution (EBD), which optimises braking depending on the load. Emergency Brake Assist (EBA) also boosts stopping power the instant emergency braking is sensed. Advanced Smart City Brake Support - Forward/Reverse (ASCBS-F/R) can detect vehicles and pedestrians ahead through its forward-sensing camera and help avoid or mitigate unavoidable collisions. If you do brake suddenly, Emergency Stop Signal (ESS) will automatically flash hazard lights to warn following drivers. While Hill Launch Assist (HLA) will keep the brakes applied for a short time when on an incline, giving you time to apply the accelerator and drive off smoothly. This means every drive in Mazda6 isn't just exciting, it's safe.

† Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

STAY ONE STEP AHEAD WITH i-ACTIVSENSE

Mazda6 offers a wide range of advanced i-ACTIVSENSE safety technologies, with Driver Attention Alert (DAA), Advanced Smart City Brake Support – Forward/Reverse (ASCBS-F/R), Blind Spot Monitoring (BSM) and Rear Cross Traffic Alert (RCTA) standard across the range. Adaptive LED Headlamps have been further enhanced, Mazda Radar Cruise Control (MRCC) can now track the car in front at all speeds and our latest 360° view monitor has been adopted in Mazda6 for superior visibility. To further assist the driver,† Intelligent Speed Assist (ISA) allows you to limit your speed dynamically with the press of a button.

† i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

MAZDA6 GSX WAGON – STANDARD ACROSS BOTH GRADES

- » 17-inch gunmetal alloy wheels with 225/55 tyres
- » LED headlamps (automatic) with LED turn lamp
- » Daytime running lights (halogen)
- » Power mirrors (body coloured with heating and automatic folding function)
- » Power windows with one-touch open/close function
- » Rear spoiler (wagon only)
- » Roof rails (wagon only)
- » Dual exhausts with chrome extensions
- » Wiper (rear) with intermittent function (wagon only)
- » Wipers (front) 2-speed with rain-sensing function
- » Air-conditioning (dual-zone climate control) with rear vents
- » Active Driving Display (ADD) – windscreen-projected
- » Rear-view mirror with automatic dimming function
- » Bluetooth® hands-free phone and audio capability[§]
- » 8-inch full colour touch screen display (MZD Connect)
- » Apple CarPlay™ (wireless, USB) and Android Auto™ (USB) connectivity[§]
- » Multi-function commander control
- » Audio system with: AM/FM tuner, USB input ports (iPod® compatible), AUX, Bluetooth® audio and 6 speakers
- » Internet radio integration (Stitcher™ and Aha™)
- » Electric parking brake with auto-hold function
- » Leather wrapped: gear shift knob and steering wheel
- » Paddle shift gear control
- » Satellite navigation
- » Seat trim: black sports cloth
- » Front seats with: rake/slide/height adjustment and lumbar support (driver)
- » Rear seats: 60/40 split-fold with centre armrest and USB input ports
- » ‘Karakuri’ cargo area tonneau cover (wagon only)
- » Advanced (proximity) keyless entry and push-button ignition
- » Reversing camera[†]
- » Parking sensors (front & rear)
- » Automatic door lock (customisable)
- » i-ACTIVSENSE safety[†]:
 - Advanced Smart City Brake Support - Forward/Reverse (ASCBS - F/R)
 - Blind Spot Monitoring (BSM)
 - Rear Cross Traffic Alert (RCTA)
 - High Beam Control (HBC)
 - Smart Brake Support (SBS)
 - Mazda Radar Cruise Control (MRCC) with Stop & Go function
 - Lane Departure Warning (LDW)
 - Lane-keep Assist System (LAS)
 - Driver Attention Alert (DAA)
 - Traffic Sign Recognition (TSR)
 - Intelligent Speed Assistance (ISA)
- » Mazdacare

POWERTRAIN

- Skyactiv-G
 - » 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol (Skyactiv-G) engine with i-stop and i-ELOOP
 - » Drivetrain: FWD
 - » Maximum power: 140kW @ 6,000rpm
 - » Maximum torque: 252Nm @ 4,000rpm
 - » Transmission: 6-speed auto (Skyactiv-Drive)
 - » G-Vectoring Control Plus (GVC-Plus)
 - » Cylinder Deactivation

[§] Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit mazdahandsfree.co.nz or consult your Mazda Dealer for further information. It is the driver’s sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.*

MAZDA6 TAKAMI WAGON & SEDAN – ADDITIONAL TO GSX

- » 19-inch alloy wheels with 225/45 tyres
- » LED daytime running lights
- » LED tail-lamps
- » Power-sliding and tilt-glass sunroof
- » Privacy glass
- » Seat trim: Walnut Brown or Pure White Nappa leather[#]
- » Front and rear seats with heating function
- » Front seats with: 2-position memory function (driver), 6-way power adjustment (passenger) and 10-way power adjustment (driver) and ventilation function
- » Premium Bose® 231 watt amplifier and 11 speakers (including subwoofer)
- » 7-inch digital LCD multi-information meter display
- » Ambient lighting (LED)
- » Heated steering wheel
- » Black cabin headliner
- » Frameless rear-view mirror with auto-dimming function
- » Genuine Japanese 'Sen' wood door and dashboard trim inserts
- » Ultrasuede® door and dashboard trim inserts
- » 360° View Monitor[†]
- » i-ACTIVSENSE safety[†]:
 - Adaptive LED Headlamps (ALH)

POWERTRAIN

- » Skyactiv-G
- » 2.5 litre turbo in-line 4 cylinder 16 valve DOHC S-VT petrol (Skyactiv-G 2.5T) engine with i-stop
- » Drivetrain: FWD
- » Maximum power: 170kW @ 5,000rpm
- » Maximum torque: 420Nm @ 2,000rpm
- » Transmission: 6-speed auto (Skyactiv-Drive)
- » G-Vectoring Control Plus (GVC-Plus)

INSIGHTFUL LIGHTING

Adaptive LED Headlamps (ALH) cleverly adjusts pattern, shape and height of headlamp beams to maximise visibility and reduce glare for other drivers[†]

OPEN UP THE FUN

Enjoy the elements with a power-operated sliding glass sunroof that includes a tilt function.

SEE IN 360°

Four separate cameras give you a complete 360° view around the vehicle, helping you minimise blind spots and avoid potential danger[†]

[#] Leather interior includes some Maztex material on selected high-impact surfaces. [†] i-Activsense, other safety technologies and driver-assistance features do not replace the driver's judgement, and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

*Mazda Fuel Consumption and Emissions figures are based on ADR 81/02 test results under the NEDC test programme. This data is useful in comparing the fuel consumption of different vehicles, however it may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions, accessories fitted and how the vehicle is driven.

Please note that from December 2021 the NZTA has standardised the reporting of all Fuel Consumption and Emissions data based on 3-Phase WLTP, using a formula to convert NEDC to 3P-WLTP. This data will appear on websites such as Rightcar and Fuelsaver.

MAZDACARE

Mazdacare* is a comprehensive programme designed to make owning your new Mazda6 as worry-free as possible.

3 YEAR/100,000 KILOMETRE SERVICING AT NO EXTRA COST[^]

Your new Mazda6 includes 3 years or 100,000km (whichever occurs first) of Mazdacare Genuine Mazda Scheduled Servicing at no extra cost. Each service is carried out by a Mazda factory-trained Service Specialist using the latest in vehicle diagnostic equipment, to help maintain optimum driving performance and protect your investment.

5 YEAR/UNLIMITED KILOMETRE NEW VEHICLE WARRANTY[†]

The quality built into your new Mazda6 is backed by a 5 year, unlimited kilometre manufacturer's warranty.

- 3 year/unlimited kilometre Comprehensive New Vehicle Warranty (Years 1 - 3).
- 2 year/unlimited kilometre Major Component and Safety System Warranty (Years 4 & 5).
- 5 year/unlimited kilometre Corrosion and Anti-Perforation Warranty.

5 YEAR/UNLIMITED KILOMETRE MAZDA ON CALL ROADSIDE ASSISTANCE

Included in your Mazdacare cover is the back-up and motoring support offered through Mazda **On Call**. Whether it's a flat battery, keys locked in vehicle, accident support or a flat tyre, we've got you covered, anywhere, day or night, any time of the year. Our support centres are ready to help with any advice you may need. Call 0800 800 626.

For more information on Mazdacare, go to mazda.co.nz/services/mazdacare

* Your Mazdacare support programme is effective from the date of first registration.

[^] Mazda New Zealand covers all routine service maintenance costs including parts, lubricants and labour for the duration of the programme when service is performed by an authorised Mazda Dealer.

[†] Visit mazda.co.nz/passenger-vehicle-warranty to see full disclosure of items covered by the 5 year/unlimited km New Passenger Vehicle Warranty.
